

ShopEase — Corporate & Operational Overview

Company: ShopEase	Effective Date: 01 September 2026
Document Type: Company Overview	Last Updated: 01 September 2026
Version: 1.0	Status: Active

1. About ShopEase

ShopEase is an Indian e-commerce platform founded to provide seamless, dependable, and high-speed online shopping across India. Headquartered in Bengaluru, Karnataka, ShopEase connects millions of consumers with authentic retail products and trusted third-party merchants across all states and union territories. All operations, pricing, and transactions are conducted in Indian Rupees (INR, ₹) and operate on Indian Standard Time (IST).

FICTIONAL COMPANY DISCLOSURE

ShopEase is a fictional company created strictly for an AI/ML portfolio project. It is not a real business entity, and these policies are created solely for demonstration, testing, and benchmark retrieval purposes.

2. Business Model & Operations

ShopEase operates a hybrid commerce ecosystem combining direct retail fulfillment with a verified third-party marketplace:

- **Direct Retail Model (ShopEase Retail):** Fast-moving consumer goods, curated electronics, and private-label essentials are procured directly from authorized brand distributors and stored in state-of-the-art ShopEase Fulfillment Centers (SFCs).
- **Marketplace Model (Verified Sellers):** Independent manufacturers and regional merchants list authenticated products on the ShopEase Marketplace. All marketplace sellers undergo rigorous GSTIN validation, trademark authentication, and ongoing quality audits.
- **ShopEase Fulfilled Badge:** Products marked with the 'ShopEase Fulfilled' badge are inspected, packaged, and dispatched directly from ShopEase fulfillment hubs, ensuring rigorous quality controls and priority logistics.

3. Product Catalog & Categories

ShopEase offers a comprehensive assortment of over 2 million stock-keeping units (SKUs) across primary retail verticals:

Category Vertical	Typical Products	Fulfillment SLA
Consumer Electronics	Smartphones, laptops, smart TVs, audio accessories	Standard: 3-7 business days; Express: 1-3 business days
Fashion & Lifestyle	Apparel, footwear, luggage, watches, jewelry	Standard: 3-7 business days
Home & Kitchen	Small appliances, cookware, furniture, home decor	Standard: 3-7 business days
Beauty & Personal Care	Skincare, grooming tools, wellness essentials	Standard: 3-7 business days
Daily Grocery & Essentials	Packaged foods, beverages, household supplies	Standard: 3-7 business days; Local Express: 1-2 days

4. End-to-End Order Lifecycle

Every order on ShopEase traverses a strictly governed operational lifecycle:

- Order Placed:** The customer authorizes payment or selects Cash on Delivery (COD). An automated confirmation notification is dispatched via SMS and registered email.
- Order Confirmed & Processing:** The order details are verified, inventory is locked, and picking manifests are generated at the respective fulfillment center or seller hub.
- Packed & Dispatched:** Goods are securely packed in tamper-evident materials and assigned an Air Waybill (AWB) tracking number.
- In Transit / Shipped:** The shipment moves through designated regional sorting hubs and surface or air logistics corridors.
- Out for Delivery:** Assigned courier delivery agent attempts doorstep delivery with pre-delivery SMS/call alerts.
- Delivered / Closed:** Proof of delivery is confirmed via customer OTP or signature; invoice is generated in account dashboard.

5. Core Policy Summary & Authoritative Reference Values

ShopEase maintains transparent and definitive operational standards. The following values serve as the company's master source of truth across all channels:

Operational Domain	Authoritative Standard	Governing Policy

6. Customer Support Channels & Terminology

Customers can reach ShopEase support via multiple assisted channels during operational hours (Monday–Saturday, 9:00 AM–8:00 PM IST, Sunday: Closed):

- Email Support:** General queries directed to support@shopease.example (Standard response SLA: within 24 business hours).
- In-App / Web Live Chat:** Instant interactive messaging accessible via the customer account dashboard.
- Toll-Free Phone Helpline:** 1800-123-EASE (1800-123-3273) for urgent delivery and transaction escalations.

Key Terminology:

- **AWB (Air Waybill):** Unique consignment identifier used to track package movements with courier partners.
- **COD (Cash on Delivery):** Payment collected in physical cash or doorstep UPI at the moment of physical handover.
- **RTO (Return to Origin):** Undelivered package returned back to fulfillment center after 3 unsuccessful delivery attempts.
- **SLA (Service Level Agreement):** The committed timeframe within which an operational or support action must be completed.
